1. We do not accept responsibility for any damage resulting from inappropriate use, chemical cleaning or additional impregnation.
2. Test results were gathered from various samples and therefore represent average indicative values.
3. Discolouration caused by clothing fabrics such as jeans does not represent a material defect. Minor colour deviations and discolouring in context of permissible industrial tolerance standards do not constitute reasons for claims.

PU / PVC FABRIC CARE INSTRUCTIONS · Vacuum and dust regularly. · Do not place heaters close to PU/PVC fabric (No closer then 50cm). · Protect from direct sunlight. · Wipe over contact areas regularly with a clean soft cloth. · Avoid hard rubbing or scrubbing. · Treat all liquid and food spills immediately. · Clean contact areas of perspiration & body oils regularly. · Keep pets and sharp object away from PU/PVC fabric. Fur is particularly only and may cause permanent discoloration. Claws belt buckles, heels keys knives, etc can cut and/or pull causing permanent PU/PVC fabric damage.

Wash care instructions need to be followed for prolonged usage of fabric, otherwise will damage the fabric. Test results were gathered from various samples and therefore represent average indicative values. Discolouration caused by clothing fabrics such as jeans does not represent a material defect. Minor colour deviations & discolouring in context of permissible industrial tolerance standards.
